COMMENCEMENT SPEAKERS

Gracie Ochoa / North Seattle College

Gracie Ochoa came to North Seattle College as a 16-year-old Running Start student. She is working toward her Associate of Science degree and is majoring in astrophysics. Gracie is President of the Associated Student Body at North and has served as a leader on the Student Organizations for Equity and Engagement Board. In addition, she is a student leader for both the Latiné/x Affinity Group and the Indigenous Students Affinity Group. Gracie credits North's LSAMP, Running Start, Seattle Promise, EDIC, AANAPISI, and TRiO programs as instrumental in pursuing her higher education.

Karina Osma Perez / Seattle Central College

Karina Osma Perez was born and raised in Havana, Cuba. Her passion for creating a more equitable world led her to prioritize continuing her studies after migrating to the United States. She began attending Seattle Central in Spring of 2021, where she pursued an Associate of Science degree.

Karina's dedication to her education and her commitment to addressing global challenges is evident in her choice of major. She plans to transfer to either Georgia Tech or the University of Washington to pursue a bachelor's degree in industrial engineering. This field offers her the opportunity to make a positive impact finding innovative solutions for pressing issues such as climate change, environmental degradation, poverty, and inequality.

Through her academic journey, Karina has excelled and been the recipient of many scholarships and academic awards, including All-Washington State Academic Team, Coca-Cola Academic Team Silver Scholar, and Coca-Cola Leaders of Promise Scholar.

Karina's academic success is a testament to her hard work and dedication, as well as highlights the support she has received from her community. As she would say: "Mi familia es mi motor impulsor. I am the sum of my experiences, of the love and support I have received from family, friends, mentors. My success is not just mine alone, but a reflection of the hard work and resilience of those who have come before me, and paved the way. To all of them, Gracias!"

Ana Chamale / South Seattle College

Ana Chamale is a devoted student at South Seattle College who embodies dedication and leadership in her community. As South's student government president and a regular volunteer at her local food bank or nearby elementary schools, Ana is committed to bettering her communities through direct and involved work. She is graduating with her associate degree and will be attending New York University in the fall. There, Ana will pursue a degree in political science, with aspirations to attend law school and ultimately go on to earn a Ph.D. Her long-term ambitions involve a path in politics, where she hopes to join the House of Representatives. Ana's hope is to use this career path to continue fostering growth and inspiration within her community long after her time at South comes to a close. She attributes many of her academic achievements and goals to the influential leaders in her own life. Teachers, peers, and family members have all deeply impacted Ana's desire to pursue her dreams.
