At the top left, there is a blue sidebar with a hamburger menu icon and several navigation icons (home, calendar, grid, graduation cap, document, wallet, list, info). The main header area includes the word "Dashboard" and a settings gear icon. Below the header, the text "Hello Francis!" is displayed. There are three tabs: "General", "Academics" (which is underlined), and "Financials". To the right of the tabs is a button labeled "Edit My Widgets".

Under the "Academics" tab, there are three widget boxes:

- Grades:** Contains the text "You have no posted grades." and an expand icon.
- Student Exams SPRING 2021:** Contains the text "You have no Exams." and an expand icon.
- Class Schedule SPRING 2021:** This widget is highlighted with a red border. It features a day-of-the-week selector with "Wed" selected. Below the selector, it says "You have no classes on this day." and has an expand icon in the top right corner. A red arrow points to this icon.

The screenshot shows a 'Schedule' interface with a blue sidebar on the left containing icons for home, calendar, list, graduation cap, document, folder, and information. The main area is titled 'Schedule' and features a date range 'Jun 13 - Jun 19' with navigation arrows. Below this is a calendar for 'June 2021' with dates 13, 14, 15, 16, 17, 18, and 19 highlighted. A 'Today' button is also present. To the right, there are controls for 'Time Period' (Month, Week, Day) and 'Schedules' (Class Schedule, Class Exams, Wait List Classes). A 'Download (.ics)' button is in the top right. A printer icon is located on the right side of the 'Schedules' dropdown. Red arrows point to the date range, the calendar, the 'Wait List Classes' label, the 'Time Period' dropdown, the 'Download (.ics)' button, the printer icon, and the 'Wait List Classes' option in the 'Schedules' dropdown.

Choose your preferred view: List or Calendar, Time Period, Type of Schedule, and the Dates using the icons, dropdown menus, and arrows at the top of the page.
